

RoHS

Dibe Verbindungstechnik GmbH is aware that the RoHS Directive 2011/65/EU restricts the amount of ten environmentally hazardous substances found in electrical and electronic equipment. dibe Verbindungstechnik GmbH can confirm that it has removed all of the following materials from its production process and final configuration of all products it manufactures, unless specifically requested otherwise:

Lead (Pb) Mercury (Hg) Cadmium (Cd) Hexavalent chromium (Cr6+) Polybrominated biphenyls (PBB) Ploybrominated diphenyl ethers (PBDE) Di(2-ethylhexyl)phthalat (DEHP) Butylbenzylphthalat (BBP) Dibutylphthalat (DBP) Diisobutylphthalat (DIBP)

All dibe Verbindungstechnik GmbH products manufactured after July 1, 2006 are 100% RoHS compliant, unless specifically requested otherwise at time of the order receipt.

REACH

Additionally, based on such information this document also certifies that no dibe Verbindungstechnik GmbH products contain (SVHC) Substances of Very High Concern as listed by the (ECHA) European Chemicals Agency under the provisions of Regulation (EC) No. 1907/2006 of the European Parliament and of the council concerning the (REACH) Regulation, Evaluation, Authorization, and Restriction of Chemicals per the ECHA 20/12/2010 and previous updates.

Other provisions

We also confirm that no substances from the directives listed below are used in our production chain.

China RoHS 2 TSCA Restrictions (PBT) EU Persistent Organic Pollutants REACH Restrict (Annex XVII) EU REACH SVHC

I certify that the above statement is true and correct to the best of my knowledge
